STARTING CONSIS SOFTWARE

STEP 1 – Make sure the PC is ON.

- Check that the CONSIS PC is running- if not, turn on or restart computer. Make sure the screen is on.
- **The PC is usually located at the rear of the CONSIS, beneath the OPS flaps and shelf.**

STEP 2 - Log into the CONSIS PC.

USERNAME:
consisserver OR
consisuser

PASSWORD:
Consult the pharmacy manager

STEP 4- Minimise the CONSIS server screen.

- **The CONSIS Server screen must not be closed**. This is how the dispense software communicates with the robot.
- CONSIS Navigator is now ready to use

Hint: Multiple CONSIS server screens will interfere with each other.

- There should only be **two** CONSIS applications on the desktop taskbar: The **CONSIS Server screen** and the **CONSIS Navigator software**.
- **If there are more than two icons, close all CONSIS applications and restart (**refer to **Restarting CONSIS software).**
